

HOW CAN YOU BE INVOLVED?

Support financially...

- Each supporting church to budget a monthly amount (\$100+) to help provide a home.
- Individuals or businesses can contribute.

Support with manpower...

- Churches can provide a support team that will be trained to work with a homeless family.

Support administratively...

- Serve on the OCOF leadership team.
- Donate food, furniture and supplies for the families.

Our Goal:

Grow our supporting churches to 50.
Have each church take responsibility for one emergency shelter and the families that occupy it.

"One Church—One Family!"

One Church One Family Mission Statement:

"The mission of One Church One Family is to demonstrate the love of God in our community by bringing homeless families into nurturing relationships with support teams from Kitsap County's churches, resulting in the families' ability to obtain long-term housing, increasing their growth and stability."
